INSTRUCTIONS

1. Use a medium paint brush to paint the inside section of the spoon rest with 3 coats of Gum Drop.
2. Paint the remainder of the top with 3 coats of Sea Mist using a medium brush.
3. When the piece is dry, use the NCR flower pattern and trace on the design to the center of the spoon rest.
4. Fill in the pattern using 3 generous coats of paint using either a liner or a detail brush. We used the following colors:
 - Petals: alternate between Pumpkin Pie and Carnation
 - Center of the flower: Red Head
 - Stem: Sea Mist
 - Top leaves: Banana Boat
 - Bottom leaves: Turquoise
5. Dip the handle of a detail brush into Red Head. Tap some dots around the border of the spoon rest.
6. When the dots are dry, flip the spoon rest over and paint the back with 3 coats of Sea Mist.

TIPS

- Applying 3 generous coats will give you a solid color.
- Wait until the background paint is dry before tracing the pattern.
- To make it easier to center the design, cut around the paper pattern so that you can where it sits.
- To apply the pattern, press firmly with a pen as you trace over the outlines of the pattern.
